

Nonconforming Status

A nonconforming status is that status achieved by a building, structure, or use of a building, structure, or land, which is not in conformance with these regulations, but which is permitted under the provisions of Article 8, to continue because it was lawfully in existence upon the effective date of the adoption of this Ordinance. No otherwise nonconforming building or structure shall be allowed to exist and no use shall be permitted to continue unless it is deemed to have achieved nonconforming status, and such status may be forfeited as provided for by this Ordinance.
