

Traffic Visibility Across Corners (clear sight triangle)

On any corner lot, no wall, fence or other structure **shall be erected or altered and no** hedge, tree, shrub, or other growth shall be **maintained which causes danger to traffic** on a street by obscuring the view. Visual obstructions shall be limited to a height of not more than two feet above street level within the triangular area bounded by the street lines and a straight line drawn between points on each such street line twenty-five feet from the intersection of said street line.
