

Application

- A. It shall be the responsibility of the person seeking the permit to apply for it on forms provided by the Zoning Administrator. The permit shall show the exact specifications of the nonconforming use and/or building or structure on the face thereof, and shall be good only for such specifications, dimensions and use.

- B. All such permits must be issued nine months after the effective date of this Ordinance, and any nonconforming uses and/or buildings or structures which have not obtained a permit within nine months of the effective date of this Ordinance, shall forfeit their nonconforming status, and shall be treated as any other uses, buildings or structures, subject to the terms of this ordinance, except that application for such permit may be accepted after nine months for good cause shown.
