

Changes

- A. If a structure or building containing a nonconforming use is changed so as to contain a conforming use, the nonconforming status shall be forfeited, and the building and/or structure or land shall not be permitted to revert to a nonconforming use.

- B. The Board of Appeals may grant, pursuant to Article 10, permission to change one nonconforming use to another nonconforming use if the applicant shows to the satisfaction of the Board that the proposed new use will be no more objectionable in external effects than the existing nonconforming use in regard to the various criteria set forth in Article 10, Section 1006.
