

The Garrett County Department of Public Works Utilities Division is pleased to announce that our 2018 Consumer Confidence Report is available to you upon request. This annual report is a summary of last year's water quality produced at your water treatment plant. Included are details about where your water comes from, water quality tests results, how they compare to standards set by the US Environmental Protection Agency (USEPA), and answers to frequently asked questions about drinking water. We are committed to providing you with information because informed customers are our best allies. Please call 301-334-6976 if you would like to receive a copy of this report and indicate which community water system serves you. All of our CCR reports are posted on our website at www.garrettcounty.org under the "Laboratory" tab in Public Utilities.
